DAB Agrártudományi Szakbizottság  
DAB Agrokémiai és Élelmiszertudományi Munkabizottság

**Aim:**

The meeting of young researchers from V4 countries allow to exchange scientific experiences as well as the expansion and strengthening of scientific and educational cooperation. Participants of the conference can be only from V4 countries. It will be a good opportunity to promote V4 group and develop the cooperation between V4 countries on various research fields. For participants from these countries will be possible to visit Hungary and to get acquainted with the local culture and tradition. This is the third meeting, which will be continued in the following years.

**Participation:**

Participants should be students, PhD students or young researchers who are not independent academic staff and who live in one of the V4 countries (Poland, Slovakia, Czech Republic, Hungary). The authors of posters and reports should be young participants in the session. Co-author of the submitted paper should be a promoter or team participating in the research.

**Working languages:**

English and national languages of participants

**Presentations:**

- A participant can present one oral presentation and /or one poster.
- Presentations must be prepared in English and presented in the selected language.
- Oral presentations should be no longer than 10 minutes.

**Summary:**

Editorial requirements are attached to the 2<sup>nd</sup> Announcement. Abstract Book will be released after the conference.

**Posters:**

- Posters must be prepared in English.
- Size: 80 cm x 120 cm (portrait-oriented)

**Important deadlines:**

20.07.2018.: Registration by e-mail: [food.conference@agr.unideb.hu](mailto:food.conference@agr.unideb.hu)

05.08.2018.: Payment of conference fee

05.08.2018.: Sending the summary in a form ready to print
